

Georgetown Village Next Steps as DC Reopens

Next Step Committee Members: Motrya Hanas Calafiura, Diana Dennett, Pam Godwin, Pat Reed, Toni Russin, Lynn Golub-Rofrano

Georgetown Village will expand services in stages based on the DC Stages of opening. If the district moves backwards in their stages, Georgetown Village will continue to provide services based on the current phase of the district.

During all phases, until a vaccine is developed, we will:

- Question members and volunteers about health symptoms
- Continue to wear masks to protect members and volunteers
- Sanitize hands and use disinfectant wipes on any surfaces members might touch before and after programs
- Increase air circulation as much as possible by opening windows
- Maintain six feet of distance when possible

During Phase One GV will continue to provide:

- Contactless Grocery Shopping deliver services for members
- Prescription drug pick up for members
- Mask Delivery and Distribution
- Outdoor yard assistance
- Essential medical transportation with member sitting in back on passenger side and windows open
- Remote IT assistance-zoom training, email assistance via phone, etc.
- Programming via Zoom and Conference Calls-including happy hour, book group, etc.
- Continue to provide friendly visits via phone call and social distanced visits
- Office staffed remotely from home, with Varnita working from office occasionally

During Phase Two GV will offer the following, in addition to the above services:

- Medical transportation for members only-no aides
- Walking Buddies-to walk at a safe social distance with members
- Friendly visits-outdoors at a safe social distance
- Meal Prep for members
- Quick IT services (changing printer cartridges, installing printers, etc.)
- Small Group meetings (less than 10 people at six feet apart with masks)
- Office will have soft reopening with one staff member on rotating basis (with appropriate cleaning at the end of the day to assure clean for next staff person coming to the office)

During Phase Three GV will offer the following in addition to the services listed above:

- Group programming (still to be decided-what venue we use and how we seat participants)
- IT services
- Transporting members to grocery store-only one member per car (this means we may need to limit members to transportation every other week and not allow one member to go every week)
- Transporting members to nurseries, errands, etc.
- Transportation for members with aides
- Office will reopen-staffing situation to be decided

Questions we will be asking during all phases until a vaccine is developed:

- Have you had a fever or chills in the last 48 hours?
- Do you have a cough?
- Do you have shortness of breath?
- Are you feeling unusually tired, or have you felt unusually tired in the past few days?
- Are/Have you experienced body aches, in last 48 hours?
- Are Have you experienced a headache in past few days?
- Have you been in crowded situations in past 48 hours?
- Have you been exposed to anyone who has tested positive for the virus?
